WORK EXPERIENCE

February 2017 - Present

Mobile and Web application developer

Lastminute.com group
Corso San Gottardo 30 6830 Chiasso, CH

Designing and implementing iOS and Android apps for the main brands of the company: lastminute.com, volagratis.com, bravofly.com and rumbo.com.
Designing and implementing the renewal of the personal user area on the main website of the company.

Business or sector Travel

June 2013 – February 2017

Mobile and Web application developer

Condé Nast Italy
Piazza castello 27, 20121 Milano (MI), Italy

Designing and implementing iOS and Android apps.

- **Glamour beauty break.** News app for Glamour brand that lets the user read the latest fashion and beauty news. Available for iPhone and Apple Watch.
- **Daily Push apps: Wired Feed, Vanity Fair Confidential, Vogue Now.** Apps that let the user read various articles extracted from the newsletter of various Condé Nast brands. Available for iOS and Android devices.

I also worked on the official web sites for GQ Italia, Glamour, CNLive! and Vogue Italia.

Business or sector Publishing/News

October 2010 – June 2013

Mobile and Web application developer

SHI s.r.l.
Via L. Biagi 55a\1a, 20099 Sesto San Giovanni (MI), Italy

Designing and implementing iOS apps for important customers.

- **Magic Libro 2012.** App for RCS “La Gazzetta dello sport” that let users check relevant statistics of soccer players to play fantacalcio game.
- **iMTV\iMTV HD.** Custom player for the MTV Italia iOS app. The player had some features like personalized skin and custom advertising management.
- **iMeta.** 3D catalogue app developed for Metalarredo s.r.l.
- **iPegasys.** Enterprise app for Roche pharmaceuticals used by the commercial staff

to promote their new Pegasys hepatitis C medicine.

- **DigitalEPlay.** App for DigitalE s.r.l. that let users buy digital video contents.
- Other apps developed: Misterplastic. Catalogue app for Misterplastic s.r.l., iSecos. Catalogue app for Secos s.r.l., iAreaC. App with information about Milano Area C.

I also worked on internal web applications used by the human resources.

Business or sector Media

September 2009 – August 2010 **Developer**

Bottinelli informatica s.a.s.
Via Briantea 7, 22038 Tavernerio (CO), Italy

I worked on Oplà, an ERP for textile industries.

Business or sector Textile

November 2008 – September 2009 **PMO/Consultant**

Avanade Italy s.r.l.
Via Lepetit 8/10, 20124 Milano (MI), Italy

I worked with an Accenture team on the Eurosig integration HVB/Unicredit project.
